² When funding becomes available, it is anticipated that supplement will be increased by 2/3's in 1/3 yearly increments.

³ The increase in the Beginning Teacher Mentor supplement from 2% to 4% shall be effective July 1, 2009.

⁴ The amount of the supplement for Department Chairs/Team Leaders is determined by the provisions of paragraph IIB of Appendix B.

⁵ This supplement is provided to each of the listed schools with the understanding that individual supplements may be provided in number and amount as determined by program needs at each site, subject to the one percent minimum supplement amount. It is also understood that the full amount provided to each of the listed schools may not be expended due to program differences among the sites.
