

Empowering
today's
education
community to
achieve financial
wellness.

As a member of the education community you've devoted your career to creating a positive future for students. At Suncoast, we're here to help create a positive financial future for you! **Through Educators Choice, Florida Education Association (FEA) and Leon Classroom Teachers Association members can plan for the future with the support of our financial experts.**

Educators Choice, is the preferred partner for financial education, exclusive benefits, workshops and webinars, and no-cost one-on-one counseling to create a customized financial plan tailored to you.

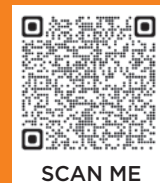

Just like the FEA, at Suncoast we focus on our members and empowering today's education community to achieve financial wellness. Through Educators Choice Financial Planning & Guidance, you'll benefit from high quality, comprehensive services from licensed qualified retirement planning professionals.

Suncoast Credit Union knows teachers and the education community! We began in 1934, when a handful of local educators came together to provide financial options and solutions for each other. That holds true to today, as Suncoast provides products and services to help you through every stage of life.

LCTA is a professional organization that is the exclusive bargaining agent for teachers and paraprofessionals in Leon County. This means, in addition to providing MEMBERS ONLY opportunities such as free professional development, we negotiate your salary, benefits, working conditions and rights. We represent and advocate for MEMBERS ONLY in cases of contract violations.
