Exception: The LCTA president is authorized to use Listserv for communicating information pertinent to contract negotiations to all members of the bargaining unit. LCTA also may create listservs on District equipment for its use in communicating with employees so long as it is done on personal time rather than during the workday. These communication systems shall not be used to transmit or display materials the content of which relates to election campaigns for public office. In the event that the Board must collect postage for LCTA's use of the District interschool mail system, LCTA will be responsible for the payment of all such postage and will cooperatively work out procedures for such payment.

 - 2. LCTA Access to District Policies and Rules. LCTA shall have access to District policies and rules and Board agendas through the District website. LCTA shall be notified electronically of changes to such policies and rules when site administrators are notified of such changes and at least five (5) days prior to their implementation, if feasible. If the LCTA site representative is not provided access to the District website by the site administrator, the site administrator shall provide the site representative with one (1) copy of any District policy or rule requested by the site representative.
 - 3. LCTA Data Requests. If the information requested must be specially compiled in order to respond to the request, LCTA will be provided with an estimated charge for such compilation prior to the District proceeding with the compilation. Materials reasonably related to the negotiations process shall be provided without charge.
 - D. Use of Facilities. LCTA shall be permitted use of site buildings, facilities, and equipment for meetings related to LCTA business provided details are arranged with the site administrator. A minimum rental charge may be assessed if, as a result of the meeting, the site incurs expenses for such use. Such charges shall be consistent with charges made to other organizations for such use.
 - E. Release of the LCTA President for LCTA Activities
 - 1. The Board agrees to release the elected president of the Association from his/her regular duties to serve as LCTA president as a teacher on special assignment for the term of his/her presidency and to serve as fiscal agent for the payment of his/her salary, fringe benefits, summer pay, and fixed charges, provided the Association provides the Board 100 percent of any and all sums paid to or on behalf of the president. At the termination of the president's final term, s/he is entitled to return to his/her previous school site or may accept

employment elsewhere at his/her discretion. The Association president shall not earn sick leave or annual leave, nor be covered by the District Workers' Compensation Insurance, during said term.

F. Temporary Duty for LCTA Activities

1. The Board shall grant employees temporary duty each fiscal year as described below to carry out LCTA activities:
 - a. Legislative and Public Advocacy. A committee appointed by the LCTA president shall be allowed 240 hours during the Legislative Session or during committee meetings to lobby for educational concerns benefiting the District.
 - b. Florida Education Association Delegate Assembly. The Board agrees to grant two (2) days of temporary duty to each elected delegate to attend the Annual Delegate Assembly of the Florida Education Association.
 - c. Negotiations Committee. A list of members of the LCTA Negotiations Committee shall be provided to the Director of Labor and Employee Relations by April 1 of each year. Up to eight (8) members of such committee shall be provided temporary duty for negotiations that are scheduled during the school day.
 - d. LCTA Representation on District Committees. LCTA representatives appointed to District committees under the provisions of Article XXVI shall be provided with temporary duty to attend the meetings of such committees scheduled during the school day.
2. The use of temporary leave as described in paragraph F1 above shall be subject to the following conditions:
 - a. An employee shall ordinarily provide the site administrator with a leave request form for the temporary duty described above a minimum of forty-eight (48) hours prior to such duty;
 - b. The site administrator shall approve such temporary duty unless s/he documents that the employee's absence would significantly impede the operation of the work unit;
 - c. No more than two (2) employees may be absent from any faculty on any day on such temporary duty;
 - d. No employee shall have a right to be granted more than ten (10) days of temporary duty for LCTA activities during the fiscal year, except that participation on the School Improvement Central Council (see Section 25.05) shall not count against the ten (10) days' limitation. LCTA shall be responsible for monitoring the amount of temporary duty taken for LCTA activities.
 - e. The Board shall not pay any expenses associated with the activities described in paragraph F1a, Legislative Committee, and paragraph F1b, FEA Delegate Assembly.
 - f. Employees on temporary duty for LCTA activities retain all rights and responsibilities as employees but are not to be considered representatives of the District for activities undertaken on behalf of LCTA.

G. Unpaid Leave for LCTA Activities. Each year of this Contract, representatives of the LCTA shall be granted up to a total of fifty (50) days of unpaid leave to conduct LCTA business provided the following conditions are met:

1. An employee shall ordinarily provide the site administrator with a leave request form for the unpaid leave a minimum of forty-eight (48) hours prior to such leave;
2. The site administrator shall approve the request for unpaid leave unless s/he documents that the employee's absence would significantly impede the operation of the work unit;
3. No more than two (2) employees may be absent from any faculty on any day on such unpaid leave;
4. No more than ten (10) employees may be absent on such unpaid leave on any day;
5. Except for the president of LCTA, no employee may be absent on unpaid leave for LCTA activities more than ten (10) days during the fiscal year; and
6. LCTA shall be responsible for monitoring the amount of unpaid leave taken for LCTA activities.

H. During the regular workday, authorized representatives of LCTA may visit employees at the site, provided the authorized representatives report their presence to the site administrator or his/her designee and they do not interfere with, or disrupt, normal site operations. No authorized representative shall use this privilege except to conduct LCTA business.

I. Exclusive LCTA Rights. The rights granted herein to LCTA shall not be granted or extended to any other organization claiming to, or attempting to, represent the members of the bargaining unit except as provided by law.

J. LCTA agrees to hold the Board harmless for any claims arising from the exercise of its rights as described in this section, including the cost of defending such claims.

K. In an effort to encourage collaboration at the worksite the LCTA chief building representative and the building principal may meet at the beginning of each semester to build understanding and share concerns.

Article IV
BOARD AND SUPERINTENDENT RIGHTS

- 4.01 The Board, on its own behalf and on behalf of the District, and the Superintendent hereby retain and reserve unto themselves all powers, rights, authority, duties, and responsibilities conferred upon and vested in them by the laws, rules, regulations, and Constitutions of the State of Florida and the United States except as modified by the specific terms and provisions of this Contract.

Article V
NO-STRIKE CLAUSE

- 5.01 The LCTA agrees it will not participate in or encourage members of the bargaining unit to strike against the Board for the duration of this Contract.

Article VI
GRIEVANCE PROCEDURE

- 6.01 Representation and Appearances
- A. An employee shall choose at Step 1 and Step 2 whether to be represented by the LCTA or to represent him/herself. The LCTA shall not be required to process grievances for employees who are not members of the Association.
 - 1. The LCTA shall not be bound by a grievance decision in a grievance in which the grievant chose not to be represented by the LCTA.
 - 2. The resolution of any grievance as defined herein shall not be inconsistent with the provisions of this Contract, and the LCTA shall be provided an opportunity to be present at any meeting called to discuss such a resolution.
 - B. When a grievant participates during working hours in a grievance meeting between the grievant and the site administrator or District representative, or in an arbitration proceeding, the grievant shall be provided temporary duty for such meeting/proceeding after providing the site administrator with a written request for temporary duty at least two (2) days prior to such meeting or proceeding. The request shall be approved unless the grievant's absence on the requested date would impede the operations of the grievant's work unit, in which case an extension shall be granted, if necessary, to accommodate the grievance timelines.
 - C. When a grievant is represented by the LCTA, the LCTA grievance representative shall be provided temporary duty to represent the grievant at any grievance meeting held during regular work hours, including the right to speak and present evidence and arguments on behalf of the grievant or the LCTA. The LCTA grievance representative shall provide the site administrator with a written request for temporary duty at least two (2) days prior to such meeting. The request shall be approved unless the representative's absence on the requested date would impede the operations of the LCTA representative's work unit, in which case an extension shall be granted, if necessary, to accommodate the grievance timelines.
 - D. Time spent by grievants and LCTA representatives investigating and processing grievances outside regular working hours shall not be counted as time worked.
- 6.02 Definitions
- A. "Grievance" shall be defined as a dispute involving the interpretation, application, or violation of a provision(s) of this Contract, or involving whether an action to discipline an employee or dismiss a professional services contract or continuing contract employee was taken for just cause. All grievances are to be filed on a form as provided in this Contract (see Appendix C).
 - B. "Grievant" shall mean any employee, group of employees, or LCTA who has filed a grievance.
 - C. Grievance Forms. Each grievance, request for review, and notice of arbitration must be submitted in writing on the appropriate form (see Appendix C) and signed by the grievant(s). All grievance forms shall be dated when received. The grievance forms may be filed in person or by means of FAX, U.S. mail, or other recognized means of delivery.
- 6.03 Resort to Other Procedures
- A. It is the intent of the parties to first provide a reasonable opportunity for resolution of a matter that constitutes a grievance through the grievance procedure. If prior to seeking resolution of a dispute by filing a grievance hereunder, or while a grievance is being processed, an employee formally initiates resolution of the matter in any other forum, whether administrative or judicial, the Board shall have no obligation to proceed further with the matter pursuant to this grievance procedure.
 - B. As an exception to the provisions of paragraph A above, a grievant may file an EEOC charge while the grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C., s.2000e et seq. Furthermore, an employee may seek resolution of a dispute through site or school procedures prior to filing a grievance and may request an extension of the time limits for initial filing of the grievance for this purpose.

6.04 Informal Resolution. When an employee or the LCTA has a problem or complaint, an attempt should be made to resolve it through discussions with the employee's supervisor or other appropriate personnel. If the problem or complaint cannot be resolved in that manner, the grievance procedure is provided as a formal means for resolving the grievances of employees or the LCTA as defined below. An effort to resolve a problem or complaint under this provision does not waive the time limits for filing a grievance at Step 1 as provided in paragraph 6.05C below.

- A. An employee shall choose at Step 1 and Step 2 whether to be represented by the LCTA or to represent him/herself. The LCTA shall not be required to process grievances for employees who are not members of the Association.
 - 1. The LCTA shall not be bound by a grievance decision in a grievance in which the grievant chose not to be represented by the LCTA.
 - 2. The resolution of any grievance as defined herein shall not be inconsistent with the provisions of this Contract, and the LCTA shall be provided an opportunity to be present at any meeting called to discuss such a resolution.
- B. When a grievant participates during working hours in a grievance meeting between the grievant and the site administrator or District representative, or in an arbitration proceeding, the grievant shall be provided temporary duty for such meeting/proceeding after providing the site administrator with a written request for temporary duty at least two (2) days prior to such meeting or proceeding. The request shall be approved unless the grievant's absence on the requested date would impede the operations of the grievant's work unit, in which case an extension shall be granted, if necessary, to accommodate the grievance timelines.
- C. When a grievant is represented by the LCTA, the LCTA grievance representative shall be provided temporary duty to represent the grievant at any grievance meeting held during regular work hours, including the right to speak and present evidence and arguments on behalf of the grievant or the LCTA. The LCTA grievance representative shall provide the site administrator with a written request for temporary duty at least two (2) days prior to such meeting. The request shall be approved unless the representative's absence on the requested date would impede the operations of the LCTA representative's work unit, in which case an extension shall be granted, if necessary, to accommodate the grievance timelines.
- D. Time spent by grievants and LCTA representatives investigating and processing grievances outside regular working hours shall not be counted as time worked.

6.05 Formal Grievance Procedure

- A. If the parties are unable or unwilling to resolve a grievable concern or problem through the informal process described in Section 6.01 above, a formal grievance may be filed under this section.
- B. Time Limits
 - 1. The time limits provided in this article shall be observed but may be extended by written agreement of the parties. Whenever illness or other incapacity of a party necessary to hear the grievance prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the party can be present. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
 - 2. Upon failure of the Superintendent to provide a decision within the time limits provided in this article, the grievant or the LCTA, where appropriate, may proceed to the next step. Upon failure of the grievant or the LCTA, where appropriate, to file at the next step within the time limits provided, the grievance shall be deemed to have been resolved by the decision at the prior step.
 - 3. Upon written agreement of the parties, any step in this procedure may be waived.
 - 4. A grievant may withdraw his/her grievance at any step but that same grievance may not be filed a second time unless it is of a continuous nature.
- C. Step I. A grievance shall be filed with the employee's site administrator on the Step 1 grievance form (see Appendix C) within thirty (30) days following the occurrence of the alleged violation of the Contract, or the date on which the employee knew or reasonably should have known of the occurrence if that date is later. The grievance shall include the facts giving rise to the alleged violation, the specific section of the Contract alleged to have been violated, the employee's contention with respect to these provisions, the specific relief sought, and shall be signed by the grievant. Within twenty (20) days after receiving the grievance, the site administrator shall meet with the grievant and representative and communicate his/her decision in writing to the grievant and the grievant's representative or otherwise resolve the grievance.
- D. Step II. If the grievant is not satisfied with the decision at Step I, s/he may, within fifteen (15) days following receipt of the Step I decision or following the date on which the Step 1 decision was due if no decision is provided, file a request for review of the Step 1 decision with the Superintendent or his/her designee on the appropriate form (see Appendix C). The Superintendent or his/her designee shall meet with the grievant and/or representative and may conduct whatever investigation is necessary to make a finding. Within twenty (20) days of the receipt of the

grievance at Step 2, the Superintendent or his/her designee shall communicate his/her Step 2 written decision to the grievant and/or representative or otherwise resolve the grievance.

E. Step III – Arbitration

1. Mediation. The parties may, by written agreement, submit a grievance to mediation to be conducted by the Federal Mediation and Conciliation Service (FMCS) prior to being submitted to arbitration. When the parties agree to mediate an issue, the time limits to file for arbitration shall automatically be extended for the period necessary to conclude the mediation process.
2. Filing
 - a. If the grievance has not been satisfactorily resolved at Step II, the LCTA may, within thirty (30) days following receipt of the Step II decision or following the date on which the Step II decision was due if no decision is provided, file an intent to submit the grievance to arbitration with the Superintendent or his/her designee on the form provided in Appendix C.
 - b. A grievance filed at Step 3 on which no action has been taken by the LCTA for twenty (20) days shall be deemed withdrawn and resolved in accordance with the decision issued at the prior step.
3. Disclosure of Information. Neither the Board nor the LCTA shall be permitted to assert in an arbitration proceeding any grounds or rely on any evidence which has not previously been disclosed to the other party.
4. Selection of Arbitrator. The parties shall follow the American Arbitration Association procedure for selection of an arbitrator and shall conduct the arbitration under its rules and procedures except as modified by the provisions of this Contract. The arbitration shall be scheduled within sixty (60) days following selection of the arbitrator.
5. Authority of the Arbitrator
 - a. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Contract. Arbitration shall be confined to the application and interpretation of this Contract and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing statements of opinion or conclusions not essential to the determination of the issues submitted.
 - b. In rendering decisions, an arbitrator shall give due regard to the responsibilities of the Board and the Superintendent and their designees as provided in law and rule and shall so construe such responsibilities, except as they may be specifically conditioned by this Contract.
 - c. The arbitrator's decision shall be final and binding on the parties as provided in Section 447.401, Florida Statutes, provided that either party may ask that an appropriate court vacate such a decision on one (1) or more of the grounds stated in Section 682.13, Florida Statutes.
 - d. An arbitrator's award may be retroactive as the equities of a case may demand, but an award shall not be retroactive to a date earlier than twenty (20) days prior to the date the grievance was initially filed.
6. Fees and Expenses. The fees and expenses of the arbitrator shall be shared equally by the Board and LCTA. A party desiring a transcript of the arbitration proceedings shall provide written notice to the other party at least five (5) days prior to the date of the arbitration and shall be responsible for scheduling a stenotype reporter to record the proceedings. The parties shall share equally the appearance fee of the reporter and the cost of obtaining an original transcript. The requesting party shall, at its expense, provide a photocopy of the transcript to the other party within five (5) workdays after receiving a copy of the transcript from the reporter.

F. Processing

1. The Superintendent may refuse consideration of a grievance not filed or processed in accordance with this article.
 2. If a grievance arises as the result of a condition which the immediate supervisor is without jurisdiction to resolve, the grievance shall be filed at Step 2 after discussing such filing with the Superintendent's designee.
- 6.06 Precedent. No complaint informally resolved, or grievance resolved at either Steps 1 or 2, shall constitute a precedent for any purpose unless agreed to in writing by the Board and LCTA.
- 6.07 Documents. The grievant or representative shall be provided, upon request and without charge, with a copy of any identifiable document relevant to the grievance. All written materials dealing with the processing of a grievance shall be filed separately from the grievant's personnel file except an arbitration decision or a settlement agreement that requires personnel action(s) that affects the grievant.
- 6.08 Notwithstanding the expiration of this Contract, any claim or grievance arising while it was in effect may be processed through the grievance procedure until resolution, provided it is timely filed.
- 6.09 Reprisal. The Board shall not engage in reprisal, coercion, or discrimination against a grievant, witness, grievance representative, or any other participant in the complaint or grievance procedure by reason of such participation.

7.01 Employee Workday and Workweek

A. Employee Workday - Standard and Extended.

1. Standard Workday. The beginning and ending time of the employee workday may be varied to meet individual school needs. The standard workday for employees shall be seven (7) consecutive hours and thirty (30) minutes.
2. Extended Workday. The School Board may adopt a written plan for an extended workday consisting of no more than eight (8) hours and thirty (30) minutes at one (1) or more instructional sites. This plan shall include the educational purpose to be achieved by the extension of the workday. LCTA shall be provided with the proposed plan as soon as practicable. Implementation of the plan shall not occur prior to a discussion with LCTA about the impact on teacher's working conditions, wages and terms of employment. Employees at a school where such extended workday is to be implemented shall be provided with written notice that the District plans to implement an extended workday at their school. Employees' pay shall be increased proportionally at their hourly rate consistent with the extended workday (see Section 21.03). A permanent employee assigned to a school that is to have an extended workday who desires to transfer to a school on a standard workday shall be provided with such an opportunity.
3. The workday shall include:
 - a. Lunch Period. Employees shall have a duty-free lunch period equal to the student lunch period in that building. For employees who volunteer to serve lunch duty a duty-free time equal to the duty-free lunch period shall be granted. Every effort shall be made to provide the equal duty-free time immediately before or immediately after the lunch duties. On planning days, the lunch period shall be one (1) hour.
 - b. Planning/Preparation Period
 - (1) All Pre-kindergarten through grade 12 instructional employees in the District shall have at least six (6) hours per week during the workday for the purpose of planning. Every effort will be made to ensure that at least four (4) out of six (6) hours will be reserved for individual planning time weekly. Activities such as team or department planning related to the delivery of instruction are appropriate activities to be carried out during planning time and are not to be considered "duty". In instances where a site administrator requires an instructional employee to participate in group activities during the teacher's designated mid-day planning period/time more than two (2) times per week, or the instructional employee is not granted at least six (6) hours of planning during the week, the instructional employee shall be granted Alternative Teacher Compensatory leave, hour for hour, in one-quarter hour increments, as conciliation for missed planning. Transition time shall not be considered a part of planning time. Weeks with less than five (5) full work days will be managed proportionately. Nothing in this provision shall be interpreted to limit the use of planning time before or after school, for the purpose of group activities, provided four (4) of the six (6) hours are reserved for individual planning time weekly.
 - (i) Alternative Teacher Compensatory leave shall be utilized for the sole purpose of conciliation for missed planning time as specifically outlined in 7.01A3b. Alternative Teacher Compensatory leave shall be tracked in the district-wide leave management system, will be available within thirty (30) days of the event triggering the loss of planning time, and may be utilized in lieu of sick and personal charged to sick, with approval from the site administrator. The District shall provide an Alternative Teacher Compensatory leave submission form to be utilized, submitted and maintained at school sites. Once the Alternative Teacher Compensatory leave form is submitted, approved and processed into the District Platform, employees can track their submissions, approvals, denials and usage. Alternative Teacher Compensatory leave shall not expire, and will transfer from site to site; however, the accrual of Alternative Teacher Compensatory Leave, shall be limited to no more than 24 hours at any given time, will not be paid out upon termination, resignation or retirement, and is bound by the limitations of Article XVI regarding the amount of time that may be taken.
 - (2) Elementary teachers may use the time during which their students are in special classes such as art, music, or physical education as planning/preparation/conference periods except for those unusual circumstances when a teacher is assigned to supervise students during such time. Teachers who are assigned supervision during special area shall receive compensatory time.

- (3) When an employee does not receive his/her regular planning time as a result of a site administrator directing the employee to substitute for another employee's assigned classroom duties or to be involved in an activity that is not related to the delivery of instruction, the employee shall receive compensatory time in accordance with Section 7.04 or the loss of planning time shall otherwise be provided for by the site administrator. Directing teachers to substitute for another employee's classroom duties shall be used only on an emergency basis; substituting for another employee's assigned classroom shall be done on a rotational basis when possible. Record of such substitutions shall be documented and maintained at the site level.
 - c. Teaching Periods and Time for Other Duties. Time spent supervising students, lunch, or performing other duties during the contracted work day shall not be part of the employee's planning/preparation period or "pupil contact teaching assignments" as established in 8.02 and 8.04.
 - B. Employee Workweek. The workweek shall not exceed five (5) consecutive working days, Monday through Friday, in a seven (7) day week, and includes those professional duties as prescribed in Section 7.02. This shall in no way prohibit assigning employees to nonconsecutive work hours if agreed to by the employee and the site administrator. The total amount of time in the employee's workweek shall consist of the number of minutes in the employee's scheduled workday times five (5) days.
- 7.02 Employee Assignments
- A. General

 2. When an employee received prior permission to miss an assigned duty, the site administrator shall take no punitive action related to employee discipline or employee evaluation ratings.
 3. The site administrator will provide employees on a regular basis through daily announcements and monthly school calendars with information regarding scheduled school events, District events, or other events of professional interest. Such information shall not constitute assignment of the employee to perform additional duties and shall not preclude the site administrator from scheduling additional duties or activities as the need arises.
 4. Employees whose assignments require travel between two (2) or more locations in the District are authorized to be reimbursed for the mileage associated with such travel under the provisions of Board Policy 6550—Travel and Per Diem, and Administrative Procedure 6550—Travel Guidelines. Travel to and from an employee's home shall not be reimbursed.

 4. Assignments at the beginning of the school year shall be made in writing no later than the beginning of the preplanning period; such writing may be in the form of a duty roster or schedule. All other assignments shall be made in writing two (2) weeks in advance of the scheduled duty. Assignments may be made later than these dates due to unforeseen circumstances.
 5. Assignments may be revised as needed.
 - C. Assignments beyond the Employee's Workday and Workweek
 1. No employee shall be required to stay beyond their scheduled workday or to participate in activities outside their scheduled workweek without being assigned a specific professional duty. Professional duties may include school and district-level assignments such as job-related meetings, committees, conferences, PTA/PTO meetings, and supervisory assignments.
 2. These assignments shall not be used to assign employees to professional duties for which compensation is provided by supplement or extra pay for extra duty.
 3. Extracurricular Activities. Employee participation in extracurricular activities after the workday for which compensation is not provided shall be strictly voluntary. The site administrator shall take no punitive action related to employee discipline or employee evaluation ratings. The failure to volunteer in extracurricular activities will not impact employee evaluations or reappointment decisions.
 - D. Compensated Assignments Beyond the Standard Work Schedule (Workday, Workweek, or Work Year)

1. Assignments in addition to the employee's work schedule during or beyond the school year for which compensation is provided including evening school, extra pay for extra duty assignments, and summer school shall not be obligatory but shall be with the consent of the employee, with the following exceptions:

LCTA shall be notified of such proposed assignments at least thirty (30) days prior to the final instructional day of the work year and shall be provided the opportunity to review such proposed assignment with the principal, Division Director, and Director of Labor Relations to ensure compliance with these conditions. Additionally, an employee may be exempted from participating in such assignments upon submitting a timely request for such exemption.

Supervised study periods (study halls) or other supervisory assignments shall be considered a part of the instructional supervisory load except where such assignments constitute the majority of the employee’s assigned duties. Individual employees may agree in writing to instructional supervisory loads that differ from those above.
- 8.03 Elementary art, music, and P.E. employees shall not be required to teach more than eight (8) instructional periods per day. In addition, reasonable travel time shall be included in the scheduling of instructional periods which shall not be considered as planning time.
- 8.04 All elementary instructional employees shall have no more than twenty-five (25) clock hours of pupil-contact teaching assignments per week, not including individual student conferences that may be scheduled by the employee on relief periods, with the exception of the schools that are on an extended day schedule.
- 8.05 When an employee believes that class size is a problem in their class, or has a concern regarding the number of course preparations (see Section 8.02 above), the employee and the administrator shall meet about the concern and explore alternative solutions. If the concerns of the employee are not addressed to his/her satisfaction, the employee may request in writing a meeting with the site administrator and a district-level administrator; the employee may also request that an LCTA representative be present at the meeting.  - D. Employees are entitled to a fair and thorough investigation of the facts associated with the alleged violation of policy, including but not limited to exculpatory evidence, prior to receiving progressive discipline.
- 10.02 Employee Discipline
 - A. Just Cause - No employee shall be corrected for discipline including reprimand, suspension with or without pay, demotion, or discharge without just cause.
 - B. Progressive Discipline - When circumstances dictate that disciplinary action should occur as a result of employee misconduct and/or substandard performance of assigned duties, the employee may be disciplined, and discipline may be progressive. Disciplinary Actions for a first offense will begin at the lowest level appropriate to the issue being addressed. It is recognized that a corrective action at the lowest level for a first offense is not always appropriate when the severity of the misconduct demonstrates that discipline should begin at a higher threshold. Both the District and the Association understand that there are violations of conduct where strict adherence to

progressive discipline would be a breach of the District's duty. Employee disciplinary progression shall be as follows unless the severity or misconduct warrants not following disciplinary progression:

1. Verbal Warning
2. Counseling memorandum
3. Written Reprimand
4. Suspension without pay
5. Discharge

For the purpose of this process, a verbal warning is not considered to be a formal disciplinary action.

- C. Administrative Leave- In the event an investigation must take place to determine if corrective action is needed, an employee may be placed on administrative leave with pay to determine the merits of a corrective action or discipline. If at any point in time an employee fails to cooperate with an investigation or disciplinary process, including the obligation to meet, or check in as directed, with a site administrator or district authority, in accordance with the provisions of Article 10.01, the employee may be placed on administrative leave without pay until a final decision is reached.
- D. Suspension without Pay and Dismissal. When disciplinary action in the form of suspension without pay or dismissal is proposed, a permanent employee shall be provided the procedural safeguards described below. These procedures include providing the employee with a "Notice of Proposed Action", an opportunity for a "Predetermination Conference", and a "Notice of Final Action".
 1. Notice of Proposed Action
 - a. The employee shall be provided a written "Notice of Proposed Action" by personal delivery or certified mail, return-receipt requested. The "Notice of Proposed Action" shall be dated at least ten (10) days prior to the effective date of the proposed final action. In addition, the projected effective date of the final action shall be clearly indicated within the "Notice of Proposed Action". No final action, shall be effective prior to the date indicated in the notice, however, a final action may be adjusted to a later date as needed.
 - b. The "Notice of Proposed Action" shall be signed by the Superintendent's disciplinary designee, who is authorized by the Superintendent to discipline employees and shall include the following contents:
 - (1) The disciplinary action proposed and its projected effective date.
 - (2) The specific violation or reasons for the action.
 - (3) A statement advising the employee that s/he may, within five (5) days of receipt of the notice, submit a request in writing for a predetermination conference in order to make an oral or written statement, or both, to the Superintendent's disciplinary designee to refute or explain the charges made against the employee. The notice shall state that failure of the employee to submit the written form requesting a conference within five (5) days constitutes a waiver of his/her rights to such conference and that in the absence of a response, the proposed disciplinary action shall become effective on the date proposed in the notice.
 - (4) The notice shall provide the name and address of the person with whom the request for a predetermination conference shall be filed. The notice shall advise the employee that the conference will be held prior to the proposed effective date of the action, at a time and place determined by the Superintendent's disciplinary designee, during regular business hours.
 - (5) A statement advising the employee of his/her right to representation at the predetermination conference.
 2. Predetermination Conference - a pre-determination conference is an informal meeting in which the subject employee is given the opportunity to make an oral or written statement, or both, to the Superintendent's disciplinary designee to refute or explain the charges made against the employee. The purpose of the conference is to hear the employee's explanation of the situation, which is prompting proposed disciplinary action, so as to protect the employee from erroneous or arbitrary adverse action.
 - a. The conference shall be conducted by the Superintendent's disciplinary designee who shall make a recommendation to the Superintendent/ Board regarding a final action.
 - b. The conference shall be set prior to the proposed effective date of the disciplinary action. Reasonable accommodation may be requested to ensure the conference is conducted at a reasonable time and in a reasonable manner.
 - c. The person conducting the conference shall convene the conference at the time and place set and shall identify him/herself, the employee and all other participants.
 - d. The conference shall be informal. The Rules of Evidence shall not apply. The employee may bring a qualified representative to assist or advise him/her.
 - e. In order to promote an atmosphere conducive to free and open discussion of the circumstances and proposed disciplinary action, the parties may not cross-examine unwilling persons - managers or employees. The Superintendent's disciplinary designee is responsible, however, for gathering information relevant to his/her decision and may, therefore, question anyone present in order to

gather such information. In this regard, the Superintendent's designee may ask questions of a party or witness, as requested by either party, in an area that is relevant to the decision.

- f. The employee shall be permitted to submit relevant information personally and by witness, orally and in writing.
- g. The Superintendent or disciplinary designee shall notify the employee of his/her decision in writing by personal delivery or by certified mail, return-receipt requested no more than five (5) days after the predetermination conference. Should additional time be needed to come to a decision on the action, the time frame may be extended by mutual agreement.

3. Notice of Final Action

- a. The "Notice of Final Action" shall specify the facts relied upon by the Superintendent or disciplinary designee in reaching his/her decision and shall refer to the policies, rules, laws or other legal basis on which the action is premised.
- b. The "Notice of Final Action" shall notify the employee of the meeting date in which the disciplinary (personnel) action is scheduled to appear on the School Board business meeting agenda for consent.
- c. The "Notice of Final Action" shall also describe the employee's right to have the decision reviewed through:
 - (1) The grievance procedure provided in Article VI or
 - (2) An evidentiary hearing, as described in the Florida Administrative Procedures Act, Chapter 120, and Florida Statutes. The employee shall be provided a form on which s/he may indicate a binding election of one of these two review procedures or a decision not to request a review of the determination contained in the "Notice of Final Action." The form shall include directions for filing within ten (10) days after receipt of the "Notice of Final Action." The failure of an employee to file the form within this ten-day period is presumed to be a decision not to request a review of the determination contained in the "Notice of Final Action."
- d. Within five (5) days of the School Board's action on the recommendation, the District shall notify the employee in writing of the results of the School Board's action.
- e. If the Superintendent or disciplinary designee issues a "Notice of Final Action" which issues no discipline, the Notice of Final Action shall not be retained in the employee personnel file. All associated documents shall be retained in accordance with state and federal law.

10.03 Personnel Files

- A. Derogatory materials relating to work performance or other matters that may be cause for discipline that are to be placed in an employee's personnel file are to be provided to the employee by personal delivery or mail, return receipt requested. The employee may respond in writing to the derogatory material, which response shall be attached to the material in the file(s).
- B. Employees may review and copy the materials in their personnel file and records under conditions necessary to provide for its integrity and safekeeping. The employee may be charged the authorized District charge for copying such materials. No record in a personnel file which is confidential and exempt from inspection and copying pursuant to applicable law shall be disclosed, except as provided by applicable law. Employees will be granted access to their personnel files within three (3) business days of their written request.

10.04 If in the lawful performance of his/her prescribed duties an employee is:

- A. Complained against, or sued, as a result of any action taken by him/her, the Board agrees to exercise its right to defend that employee to the extent permitted by law, and time for appearances before a judicial body shall result in no loss of wages or reduction in accumulated leave;
- B. Injured, the employee shall be considered eligible for leave and benefits as provided in Section 16.12.

10.05 Reimbursement for Damaged Personal Property.

- A. The District, through its Risk Management Office, will repay or reimburse employees the current value of any clothing or other personal property damaged or destroyed in the course of the legal performance of his/her assigned duties unless such loss is covered by insurance or reimbursement is obtained from other sources. This repair and reimbursement provision does not apply to clothing or personal property that is not reasonably related and appropriate to an employee's assignment such as expensive jewelry (other than wedding and engagement rings), electronic devices, and high-fashion clothing and accessories, etc. In case of employee negligence, the Board will not be responsible for reimbursement or replacement of an employee's personal property. Claims for reimbursement must be filed with the Risk Management Office within three (3) working days of the time of the incident; forms for this purpose are available through that office and on their District webpage.

10.06 Classroom Discipline and Control

- A. The District agrees to give support and assistance to employees with respect to control and discipline in the classroom. The District additionally agrees to provide a written statement governing the use of punishment of

students to all employees not later than the first week of each school year. Employees may use such force as is necessary in protection from attack or to prevent injury to another student or employee in accordance with state law.

- B. Instructional personnel may undertake actions detailed in section 1003.32 Florida Statute, in accordance with District policy and any school-specific behavior management guidelines:
- C. Student discipline shall be addressed by site administrators within a reasonable timeframe.
- D. Referrals shall not be written under another bargaining unit employee's name and will not be modified without notation or deleted without notification.

10.07 Zero Tolerance

- A. The District is committed to a zero-tolerance policy with regards to matters of student misbehavior, acts of violence or threatened acts of violence, and assault and battery on school personnel. It is recognized that it is the employee's responsibility to pursue the prosecution of perpetrators of such acts.
 - 1. If a teacher is the victim of a battery while on duty, they will have the option to request paid leave immediately following the incident for up to three (3) days; this leave will not be deducted from the teacher's leave balance.
 - 2. If a teacher is threatened in the classroom, an administrative review of the incident shall take place as soon as practicable. The teacher will have the option to request classroom coverage to receive immediate relief and to participate in the administrative review.
- B. Each site administrator will emphasize Board policies and procedures relevant to State and Federal Juvenile Justice and zero tolerance requirements with all employees at the beginning of each school year.

10.08 Assaults on Employees – Reporting Crimes of Violence

- A. Any case of assault on an employee shall be promptly reported to the site administrator or his/her designated representative. The Board agrees to provide legal counsel to advise the employee of his/her rights and obligations with respect to such assault and shall render all reasonable assistance to the employee in connection with handling the incident with law enforcement and judicial authority.
- B. An employee who knows or has reason to suspect that a person has committed, or has made a credible threat to commit, a crime of violence on school property shall report such knowledge or suspicion in accordance with the provisions of Section 1006.13, F.S. The Superintendent and each site administrator shall fully support good-faith reporting in accordance with this provision. Any person who makes a report required by law in good faith shall be immune from civil or criminal liability for making the report. An administrator or District employee shall follow up with the reporting employee on the outcome of the report within a reasonable timeframe, if appropriate. Incidents that result in a criminal arrest or charge by the State Attorney shall be reported to the employee within 48 hours of the District's knowledge of the arrest or charge.

10.09 Removal of Students from the Classroom

- A. An administrator or a designated person shall be in the building at all times when students are present to handle discipline problems and emergencies. An appropriate phone list and flow chart of contacts shall be provided to employees at the beginning of the school year and sent out electronically. This will be updated as needed for employee role changes and resent out electronically to staff at the school site for the best points of contact.
- B. Consistent with Section 1003.32, F.S., Board Policies 5500—Student Conduct/Discipline; 5540—The Schools and Investigations Involving Students; 5610.01—Emergency Removal of Students; and Administrative Procedures 5500—Juvenile Justice Information; and 5610—Student Discipline, an employee may:
 - 1. Send (or request an escort) a student to the site administrator's office to maintain effective discipline in the classroom. The site administrator shall respond by employing appropriate discipline-management techniques consistent with the student code of conduct under Section 1006.07, F.S.
 - 2. Have disobedient, disrespectful, violent, abusive, uncontrollable, or disruptive students temporarily removed from the classroom for behavior management intervention.
 - 3. Have violent, abusive, uncontrollable, or disruptive students directed for information or assistance from appropriate school or District personnel.
 - 4. Remove a student from class (see paragraph 5 below for provisions relevant to ESE students) whose behavior the employee determines is so unruly, disruptive, uncontrollable, or abusive that it seriously interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn. If an employee has such a student removed from class, the site administrator may place the student in another appropriate classroom, in in-school suspension, or in an alternative education program as provided by Section 1003.53, F.S., or the site administrator may recommend the student for out-of-school suspension or expulsion, as appropriate. The student may be prohibited from attending or participating in school-sponsored or school-related activities. The site administrator may not return the student to that employee's class without the employee's consent unless the committee, established under Section 1003.32,

F.S. (see provisions stated below), determines that such placement is the best or only available alternative. The employee and the Placement Review Committee must render decisions within five (5) days of the removal of the student from the classroom.

a. The provisions of Section 1003.32(6), F.S., providing for a Placement Review Committee are as follows: Each school shall establish a committee to determine placement of a student when a teacher withholds consent to the return of a student to the teacher's class. Committee membership must include at least the following:

- Two (2) teachers, one (1) selected by the school's faculty and one (1) selected by the teacher who removed the student; and
- One (1) member from the school's staff who is selected by the principal.

The teacher who withheld consent to readmitting the student may not serve on the committee.

b. The teacher and the Placement Review Committee must render decisions within five (5) days of the removal of the student from the classroom. If the placement review committee's decision is contrary to the decision of the teacher to withhold consent to the return of the removed student to the teacher's class, the teacher may appeal the committee's decision to the Superintendent.

5. Have an ESE student removed from class for behavior that is so unruly, disruptive, or abusive that it seriously interferes with the employee's ability to communicate upon compliance with the provisions of Board Policy 5500—Student Conduct/Discipline/Discipline Procedures for Students with Disabilities, and State Board Rule 6A-6.0331 addressing ESE students.

C. An employee who removes twenty-five (25) percent or more of his/her total class enrollment shall be required to complete professional development to improve classroom management skills.

10.10 Student Records

A. The individual records maintained by the school administration on student discipline shall be available to designated employees as an aid for determining disciplinary recommendations concerning the students. These records shall contain infractions with dates and action taken. Individual records for the current school year shall be available to all teachers of record for the current school year to create the best educational environment for the student, to the extent allowable by law.

Article XI REDUCTION IN PERSONNEL

11.01 In the event that the Board determines that the number of positions must be reduced, written notice shall be provided to LCTA. For the purpose of this article, the nonrenewal of an annual contract employee at the end of his/her contract shall not be deemed a reduction in personnel. The following procedures shall control the process.

A. Layoffs

1. The Board shall determine the program areas, subject areas in secondary schools, positions in elementary schools, or other positions in which the reduction shall take place.
2. Pursuant to Florida Statute Section 1012.33(5), within the program areas, subject areas in elementary schools, or other positions in which the reduction shall take place, the order of layoff of employees within the affected positions shall be as follows: The employee with the lowest performance evaluations shall be the first to be released; the employee with the next lowest performance evaluations shall be the second to be released; and reductions shall continue in like manner until the needed number of reductions has occurred.
3. In the event that two (2) or more employees have equal ratings on performance evaluations, the following additional criteria shall be used to determine the order in which reductions shall proceed:
 - a. Employees not holding certificates in the area in which they are teaching. This provision shall not apply to employees who have been teaching out of field during all or a portion of the two (2) school years prior to layoff.
 - b. Employees having the least amount of service in the Leon County School District; however, District service prior to a hiatus of more than two (2) years in District employment shall not count as service for this purpose.
 - c. Employees with the lowest level of educational degree.
 - d. Employees with the least amount of service outside the District.

B. Recalls

1. Recall rights shall exist until the end of the school year after that in which the layoff took place or in the case of annual contract employees, until the end of their term of employment.
2. The Board shall determine the positions in which recall will be made and the number of teachers to be recalled.
3. Teachers shall be recalled in the inverse order of layoff.

- 11.02 Recall Rights. For the period until the end of the school year after that in which the layoff took place, no new employees shall be hired in a laid-off employee's subject area, grade level, or program area until all certified laid-off employees from that subject area, grade level, or program area have been recalled or have declined or failed to accept recall. For the period until the end of the school year after that in which the layoff took place, no new employees will be hired in a subject area, grade level, or program area before employees who are laid off from other subject areas, grade level, or program area who are qualified and who possess the necessary certification have been offered the position and have declined or failed to accept the position.
- 11.03 Notification of Recall
- A. Employees who have been laid off and who are subsequently offered recall shall notify the District Personnel Office whether they accept the offer of recall as follows:
- For offers of recall postmarked July 31 or before, the employee shall notify the District within fifteen (15) calendar days of the receipt of the certified letter of recall; and
 - For offers of recall postmarked August 1 or after, the employee shall notify the District within ten (10) calendar days of the receipt of the certified letter of recall.
- B. Each employee shall notify the District personnel office in writing of an address to which a letter of recall may be sent. Such letter shall be mailed to the employee at said address by certified mail, return receipt requested. If no address shall be recorded, the letter shall be mailed to the employee at the last address on file in the District personnel office.
- 11.04 Leave of Absence. In the event of layoff pursuant to this article, a leave of absence without pay shall automatically be granted to all professional service and continuing contract employees until the end of the school year after which the layoff took place or in the case of annual contract employees, until the end of their term of employment. In reporting such leave for unemployment purposes, the District shall properly characterize the leave as incident to a layoff rather than one requested by the employee.
- These leaves of absence shall not prohibit the employee from seeking and accepting gainful employment elsewhere and the employee shall not be terminated for that reason, except on written request from the employee provided s/he initiates his/her retirement papers effective the end of that school year.

Article XII EMPLOYMENT PRACTICES

- 12.01 Marital status, race, creed, religion, sex, color, age, national origin, disability, sexual orientation, or status as a veteran will not be made a condition of employment except as might be required by applicable law.
- 12.02 The Board or Superintendent may require a medical examination by a physician licensed in Florida and selected by the Board and Superintendent when in their judgment such an examination is relevant to an employee's teaching performance or employment status. All costs incurred in the examination shall be paid by the Board and shall not reflect a loss in pay. A reasonable effort shall be made to select a physician acceptable to the employee. The employee shall provide the District with a medical release authorizing the physician to provide the District with medical reports regarding the results of the examination.
- 12.03 Assignments for any summer school, evening school, or other programs of the school district beyond the normal school day shall be made with preference to certified school district personnel within the scope of their major or minor fields of study and their areas of greatest competence.
- 12.04 Every legal effort will be made to maintain the minority composition of the faculty to reflect the minority composition of the student population in the district.
- 12.05 Both the Board and the LCTA recognize the importance of staffing the District with employees' representative of the community, applicant pool, and student population. To that end, the Board has adopted an Affirmative Action Plan which monitors the hiring process.
- 12.06 The foregoing shall not be construed in such a way as to prohibit the Board from providing a racially balanced staff in each school.
- 12.07 When a certified teacher cannot be obtained, a substitute may be employed.
- 12.08 Employees hired for summer school will be issued a contract for that employment no later than seven (7) calendar days after the beginning of the session.
- 12.09 Where there is a vacancy of up to one (1) school year in duration because of approved leave, including those vacancies of uncertain duration, the Board may designate such a position as a temporary position. Employees in such positions will receive all benefits stated in this Contract for the duration of employment. A temporary position shall not be considered as a staff position under Article XI of the Contract.

- 12.10 Substitutes who work in the same teaching position for twenty (20) consecutive school days shall be placed at the appropriate step of the regular employee salary schedule and will receive all benefits stated in this Contract for the duration of employment.
- 12.11 Break in service. Employees who, in a school year, have earned that year of service with an effective or highly effective evaluation; who are not reappointed for the next school year; and are then rehired in the subsequent school year prior to November 1st, shall be considered as having no break in service. Employees who are rehired without a break of service in accordance with this provision shall not be reassessed the fingerprinting fee if the District can legally forgo imposing such fee by screening the existing fingerprints of such employee rather than resubmitting the employee's fingerprints.

Article XIII
EMPLOYEE EVALUATION

- 13.01 The parties recognize that the evaluation of the performance of all employees is the responsibility of the administration and that the evaluation process is designed to improve the quality of service performed by the employees and is not designed to be used as a punitive measure. The parties further recognize the importance and value of a procedure for assisting and evaluating the progress and success of both newly-employed and experienced personnel. The parties agree that the following guidelines should be used to accomplish these goals with employees. The following contract language will be subject to re-openers and review each year from its full implementation upon request by either party.
- A. In compliance with the mandates of Florida Statute regarding evaluation of instructional personnel performance, evaluations shall be based on a combination of the overall status score (observable) and the value added (student achievement) to create a summative score. Each teacher will receive an overall rating of Highly Effective, Effective, Needs Improvement (referred to as Developing in the case of teachers in their first three (3) years of employment), or Unsatisfactory based upon his/her summative score.
Forms and procedures for evaluation shall be as set forth in the Leon Educator Assessment and Development System (LEADS) which shall be used for all observations and evaluations. LEADS shall be available on-line at the District Website.
- B. General Rules
1. When a teacher's data source is other than state assessments for the specific students taught by the teacher in the tested subject area, the teacher's score will be associated to the teacher's actual students' test results to their evaluation to the greatest extent possible.
- C. A teacher shall be placed in one (1) of the five (5) basic Categories for the purpose of Evaluation based on the following:
1. Category 1 A: Teachers who are in their first (1st) year of teaching.
 2. Category I: Teachers who are in their second (2nd) or third (3rd) year of teaching or new to the District.
 3. Category II: Teachers who are in their fourth (4th) to ninth (9th) year of teaching.
 4. Category III: Teachers who are in at least their tenth (10th) year of teaching.
 5. Category IV: Teachers who have been determined to be less than effective in the classroom either through observable behaviors that may result in an unsatisfactory rating or who fail to achieve gains based upon the state's value added model. These teachers are identified as "Instructional Practice Support" teachers in LEADS.
- D. Observations of a teacher's performance shall be made in accordance with the following procedural provisions:
1. During preplanning, or at commencement of employment, all employees will be provided a copy of or directions for obtaining access to a copy of the LEADS document posted on the LSC website which contains the evaluation criteria and the form(s) to be used. An explanation and discussion of the evaluation process shall accompany this distribution. All new hires to the District shall be provided training on the evaluation system as part of the district's new employee orientation.
 2. There shall be two (2) types of observations: informal and formal. The number of observations each teacher shall receive is determined by the category in which they are placed. The evaluator shall follow the procedures as outlined in the LEADS manual.
 3. The number and length of formal and informal observations shall be determined by LEADS. Formal classroom observations shall occur after the Pre-Observation Conference followed by the Classroom Observation after having identified the weeks within which the observation will take place. Informal observations shall be any other observation of an employee's performance during work or assigned duty hours. Where an administrator observes during an informal observation that the employee's performance needs to improve, the employee shall be notified of the observed behavior, instructed on how to improve, and documented using the LEADS platform and/or other LCS procedures.
 4. All observations of employees for the purpose of evaluation shall be conducted openly and with the full knowledge of the employee.
 5. Any observation resulting in a rating of Developing, Beginning, or Not Using shall result in specific written feedback from the observer on the observation system for the purpose of developing instructional practices.

6. The administrator and the employee shall schedule a Post Observation Conference to discuss the administrator's observations as soon as practicable after the observation and within ten (10) days if problems or difficulties are noted.
 7. Pursuant to the requirements detailed in LEADS, the administrator shall conduct a summary evaluation conference with each employee at least once a year. This annual conference shall take place at any time during the school year other than during the post school planning period.
 8. Pursuant to the requirements detailed in LEADS, at the conclusion of the evaluation process the administrator shall assign an overall performance score (summative score) in the LEADS platform. The employee's electronic acknowledgement shall indicate only that the employee has read the summary evaluation and does not necessarily indicate agreement with the content. The employee may access and download a summary evaluation which shall also be kept electronically.
 9. Summary Evaluation Results shall determine an overall teacher rating of highly effective, effective, needs improvement (or developing within the first three (3) years of employment) or unsatisfactory.
 10. Pursuant to LEADS, the overall teacher ratings shall be used to inform employee individual professional development.
 11. The parties acknowledge that LEADS, developed collaboratively by the District and LCTA and approved by the Leon County School Board, will be implemented each school year.
 12. Unless required by Florida Statute modifications to LEADS shall not be made without majority approval by the Teacher Evaluation Review Committee. LCTA and the District tentatively agree to support the ratification of TERC LEADS modifications before the members of the LCTA bargaining Unit and the Leon County School Board.
 13. The procedural provisions of LEADS are subject to the grievance procedure.
- E. The Teacher Evaluation Review Committee (TERC) shall participate in the annual formal review of LEADS to determine compliance of the District in implementing the teacher evaluation process with fidelity. The review will focus on the aspects of the system that support improvements in instruction and student learning.
- F. In the event that a teacher is concerned that his or her Instructional Practice score was inaccurate, the teacher will present their concern to the site administrator. If a resolution cannot be found, the parties agree that a five (5) member Evaluation Review Panel consisting of five (5) TERC members two (2) chosen by the LCTA and three (3) representing the District will review the teacher's concern. Should the panel sustain the teacher's concern, a third-party observer will be assigned by the District to conduct the teacher's Instructional Practice observation(s).
- G. Employees in the certified bargaining unit shall not evaluate other employees of the unit.
- H. Administering Testing:
1. Employees shall not be required to administer standardized tests unless properly trained.
 2. Training shall occur during the workday or else employees shall be compensated at their hourly rate of pay. Compensation for training outside the work day shall also be paid for online training.
 3. Leon County Schools will work in collaboration with LCTA to review how teachers are assigned coverage during standardized testing to minimize the loss of instructional time.
- 13.02 Annual Contracts.
- A. The Leon County School District's Human Resource Department shall make every effort to assist Annual Contract teachers who were not renewed in finding placement at an alternate District worksite, if they meet the following conditions:
1. Have received an overall rating of Highly Effective or Effective for the previous year;
 2. Have no pending employment discipline corrective action issues; and
 3. Have met all the statutory requirements for rehire
- This section is not subject to Article VI, Grievance Procedures.
- B. Annual contract renewal decisions will be made no later than four (4) weeks prior to the end of the school year.
- C. Annual Contract teachers who are renewed under the language above are not guaranteed placement at their previous worksite as District staffing needs may vary.
- D. Paragraphs #1 and #2 above are subject to Article XI Reduction in Personnel.

Article XIV VACANCIES AND TRANSFERS

- 14.01 Notice of all bargaining unit vacancies for positions expected to continue for at least (8) eight consecutive weeks must be publicly posted online for a minimum of five (5) administrative workdays to allow for receiving applications (four [4] workdays when the District Office is working an extended workday, Monday-Thursday schedule during the summer). The filling of posted vacancies shall not take place until the application deadline has passed. However, nothing in this article shall be construed to prohibit the filling of a vacancy in the bargaining unit on a temporary basis while this procedure is being followed. Appointments made for the first semester need not be advertised as vacancies.

14.02 Teacher Transfer Process

- A. Sites will complete the reappointment process and notify teachers that will not be reappointed for the following school year no later than two (2) weeks prior to the last contracted workday. The process will continue until two (2) weeks past the contracted day.
- B. Sites will post all vacancies, using LCS ATS applicant system, for at least five (5) business days during the Teacher Transfer process.
- C. Site administrators must grant an offer of an interview, at a time and place of the administrator's determination, to current LCS teachers and teachers who were non-reappointed in the 21/22 school year meeting the following criteria:
 - 1. The teacher must have officially applied for the specific vacancy using the LCS ATS applicant system.
 - 2. The teacher must meet the minimum requirements of the position as posted in the advertisement.
 - 3. The teacher must have been continuously employed with the district for three (3) consecutive years (the teacher must have worked a minimum of 742.5 hours to qualify in each year).
 - 4. The teacher must have been rated as Effective or Highly Effective for the previous school year.
 - 5. The teacher must have no history of disciplinary action for the previous school year.

14.03 General. No assignment of new employees to a specific position in the District shall be made until current employee applicants for such position have been considered. Employee applicants interviewed but not hired for advertised positions shall be provided written notification within twenty (20) days of filling the position.

- A. Current employees will be given priority consideration in the filling of new positions or vacancies. A new position will not normally be filled with someone from outside the district until all current employees, who are appropriately certified, have had an opportunity to apply for the position.

Employees who have effective or highly effective performance evaluations may be considered for vacant bargaining unit positions. Additional criteria to be used in such consideration shall include:

- Certification;
- Prior performance; and
- Length of service in the District.

14.04 When a reduction in the number of employees in a school is necessary, the site administrator, in consultation with the Superintendent or designee, shall identify the program areas, subject areas in secondary schools, positions in elementary schools, or other positions in which the reduction shall take place. All volunteers from the identified areas or positions shall first be transferred provided they possess the necessary qualifications for available vacancies and the site administrators of both schools concur. The remaining involuntary transfers from the identified areas or positions will be made based on length of service in the district; however, District service prior to a hiatus of more than two (2) years in District employment shall not count as service for this purpose. Those with the least amount of District service will be transferred first provided they possess the necessary qualifications for available vacancies and such transfer is consistent with the program needs of both schools. Written notice of transfer will be given to the employees concerned as soon as is practicable.

14.05 The provisions of this article shall not be construed in such a way as to prohibit the Board from transferring employees when it determines it is in the best interest of the school system. When the District determines that such a transfer is necessary, the site administrator and/or a designee of the Superintendent shall meet with the employee to discuss the transfer.

14.06 Any employee who transfers to an administrative or supervisory position and who later returns to employment within the unit shall be entitled to retain such rights already accrued under this contract and shall receive experience credit on the salary schedule for each year of administrative experience. Administrative experience shall be interpreted to include Board membership.

14.07 Summer Programs. When the District offers summer programs, teachers that meet program requirements, may be eligible to participate in summer employment. Employees assigned to a school that will operate summer school programs will be notified of anticipated teaching positions at that school prior to filling those positions.

Each regular full-time employee, as defined in paragraph D below, shall be credited with four (4) days of sick leave as of the first day of employment of each current year and, thereafter, credited with one (1) additional day of sick leave at the end of each full calendar month of employment up to an annual total of one (1) day of sick leave for each month of employment.
- B. An eligible employee, as defined in paragraph D below who is employed on or before the 15th day of the month will be credited with a day of sick leave at the end of the month. An employee who terminates on or before the 15th day of the month will not be credited with a day of sick leave for that month.
- C. If an employee terminates from the District prior to earning sick leave days that have been used, a deduction will be made from his/her final check for the overused sick leave.
- D. A regular employee must work at least fifty (50) percent of the hours required for full-time employment in order to accrue or use sick leave.
- E. There is no limit to the number of sick leave days an employee may accrue.

- 16.02 Employees may be credited with sick leave earned while employed by a State of Florida agency, a Florida public university, or a Florida district school board, provided at least one-half (1/2) of the leave is established while employed by the Leon County School District. Sick leave may only be transferred to the Leon District if a written request for such transfer is submitted to the District within one hundred twenty (120) calendar days of a person's initial employment with the District or within one hundred twenty (120) calendar days of such sick leave becoming available for transfer. New employees shall be provided written notification of this deadline.
- Upon hire, LCSD employees shall receive written notification of the above deadlines that govern transferring sick leave. LCSD shall also inform new hires of the above deadlines at new employee orientations.
- Benefits Department will confirm that it has received all necessary materials to make its determination within ten (10) working days of receipt from the affected employee.
- 16.03 Employees must have earned the sick leave to be credited under the provisions of Section 16.01 in an instructional capacity.
- 16.04 A person who resigns and returns to active employment will be able to pick up accrued days earned in previous employment with the Board and carry the accrued days forward, provided the person has not been paid for these days or has had the days transferred to another agency.
- 16.05 Payment for Accumulated Sick Leave
- A. At and after the normal retirement date or at the time of disability retirement, an employee, or his/her beneficiary if service is terminated by death, will receive terminal pay for accumulated sick leave pursuant to the following during:
- The first three (3) years of service, the daily rate of pay multiplied by thirty-five (35) percent times the number of days of accumulated sick leave.
 - The next three (3) years of service, the daily rate of pay multiplied by forty (40) percent times the number of days of accumulated sick leave.
 - The next three (3) years of service, the daily rate of pay multiplied by forty-five (45) percent times the number of days of accumulated sick leave.
 - The next three (3) years of service, the daily rate of pay multiplied by fifty (50) percent times the number of days of accumulated sick leave.
 - And after the 13th year of service, the daily rate of pay multiplied by 100 percent times the number of days of accumulated sick leave.
- For the purpose of this section, the phrase "normal retirement date" shall mean retirement as defined in Sections 121.021(29) or 238.07(2)(e)1 and (f), F.S. (2000).
- B. Employees eligible to receive terminal leave pay, as provided above, shall participate in the Board-approved 401(a) Qualified Retirement Plan, subject to a minimum contribution level established by the Board in consultation with LCTA. The 401(a) Qualified Retirement Plan allows participating employees to defer federal income tax and permanently avoid the payment of Social Security tax and Medicare tax on eligible plan contributions of terminal sick leave payout. Participating employees who wish to withdraw their funds under conditions that subject the funds to the early withdrawal penalty assessed by the Internal Revenue Service will be reimbursed a 2.35 percent portion of such ten (10) percent penalty upon application to the District pursuant to District procedures for such reimbursement.
- C. An employee who participates in the Deferred Retirement Option Program (DROP) will receive pay for accumulated sick leave as indicated in paragraph A, above. The rate of pay for such leave shall be based upon the base salary rate of the employee at the time payment occurs. Such leave will be paid in equal annual installments in each of the years in DROP. The first payment will be made following receipt of the audited leave record from the end of the month immediately prior to entering DROP. Subsequent payments will be made following receipt of the audited leave record from the end of the month immediately prior to the retirement (DROP) anniversary date. Actual dates of these payments will depend upon the date the audited leave records become available.
- D. An employee who begins participation in DROP, but elects to cancel DROP shall, within six (6) months of the DROP cancellation, be required to repay the Board all sick leave pay previously received as part of DROP. Repayment of such sick leave will be deducted from the individual's six (6) salary payments immediately following notification of termination of DROP. Repaid sick leave time will be returned to the account of the employee as if there had been no DROP participation.
- E. Employees whose DROP is extended as provided in Section 121.091(13), F.S., shall be paid accumulated sick leave as provided above for the first sixty (60) months of DROP. Leave accrued during the extended DROP shall be paid at the end of each annual DROP extension.
- 16.06 Requesting and Granting of Sick Leave
- A. Except in the case of unexpected illness where the employee must be absent prior to receiving such approval, an employee's request for sick leave shall be submitted to the principal/site administrator or designee at least two (2) days prior to the proposed beginning date of the leave and approved prior to the leave being taken. When prior

- approval cannot be obtained due to unexpected illness, the employee shall notify the principal/site administrator or designee of his/her absence as soon as possible but not later than one (1) hour and thirty (30) minutes prior to the beginning of the employee's workday except where unusual and compelling circumstances warrant a shorter period of notice. The employee shall submit the required leave form, to be provided by the site administrator or designee, within three (3) days following the employee's return from such leave (or sooner if necessitated by a payroll deadline).
- B. The site administrator or designee is responsible for securing all substitutes for an employee. Substitutes shall be expected to perform all duties normally performed by the employee who is absent.
 - C. If the period of absence due to illness exceeds ten (10) days, the employee shall, upon request, submit completed leave request forms provided by the principal/site administrator as soon as possible and prior to his/her return to work and, upon request, shall also submit a written statement from the employee's medical provider as described in Section 16.07 below.
 - D. Sick leave shall be granted for illness of self or any immediate member of the family. Immediate members of the family shall be interpreted to include: spouse, grandparents, parents, sisters, brothers, children and grandchildren of both the employee and the spouse of the employee, and any dependent who resides with the employee's household. Sick leave shall also be granted for illness connected to or resulting from pregnancy and for death or serious illness of any member of the larger family group.
- 16.07 Medical Information. An employee may be required to be certified by a physician that the employee is capable of safely performing the duties required by the employee's position. An employee may also be required to provide information from his/her medical provider regarding the employee's medical condition and other medical information relevant to the District's staffing needs and its obligations under District leave policies and state and federal laws governing workplace accommodations for physical or mental impairments or disabilities. Such information may also be requested in conjunction with the verification described in Section 16.21 below and absence due to illness under Section 16.06C above.
- 16.08 Sick Leave Transfer. An employee may transfer their earned sick leave to a spouse, sister, brother, parent, child or any designated person employed by the District under the provisions of: Board Policy 3430.03—Sick Leave (c) (3) (4) and related procedures.
- 16.09 Personal and Emergency Leave. An employee may use up to six (6) days a year of accrued sick leave for personal reasons. No more than three (3) days of such personal charged to sick leave may be used consecutively; however, the site administrator may approve more than three (3) days in unusual and compelling personal circumstances. A request for personal leave need not be granted when fifteen (15) percent or more of the total number of employees in a cost center or similar unit (but no less than one (1) employee) have been authorized to be absent, or would be authorized to be absent as a result of granting such a request, on the day(s) that the personal leave is requested. In applying this provision, leave requests that have already been approved shall ordinarily take priority over those submitted at a later date. Site administrators are encouraged to provide incentives to employees at their sites to manage their absences and thereby moderate the use of monies made available to compensate substitutes (for example, using any unused sub monies at the end of the fiscal year in a manner that benefits the employees at the site.)
- 16.10 When using up to three (3) days of sick leave for personal reasons, the employee shall file the leave request with his/her supervisor two (2) days before the leave is to begin. When requesting the use of more than three (3) consecutive days of such leave under the provisions of Section 16.09, the employee shall file the leave request at least five (5) days before the leave is to begin.
- 16.11 Sick leave for emergency shall be limited to two (2) days per year and is applicable only in bona fide emergency situations where the employee could not foresee the need to be absent at least twenty-four (24) hours in advance. Such leave shall be counted against the six (6) days personal charged to sick leave described in Section 16.09 unless the employee has exhausted such personal leave at the time of the emergency, in which case it shall be charged directly to sick leave.
- 16.12 Workers' Compensation - Leave and Benefits
- A. An employee unable to perform any duties as a result of an injury received in the course and scope of employment as defined in Section 440.02, F.S., shall receive up to fifteen (15) days of injury-in-line-of-duty leave in lieu of receipt of Workers' Compensation indemnity benefits on the condition that the employee complies with the provisions in the following paragraphs. Such leave shall not reduce the employee's accumulated leave. As an exception to the fifteen (15) days leave limitation, an employee whose injury results from an act of violence inflicted upon him/her by a student or parent in the course and scope of employment shall receive up to ninety (90) days of injury-in-line-of-duty leave.
 - B. In the event of an injury as described in paragraph A, the employee shall immediately notify the site administrator or their designee of the injury and complete a written leave request and Notice of Injury form with the Risk Management Office. In an emergency, the Notice of Injury and written leave request shall be provided as soon as the employee is medically capable to do so. Risk Management Office staff shall come to the worksite or to a medical

facility to facilitate the employee's timely completion of the Notice of Injury form when feasible. The employee shall also, as soon as possible, provide a doctor's certificate from a medical provider approved by the District stating that the injury was, in his/her opinion, sustained or contracted during the course of employment. A list of currently approved medical providers shall be maintained at each worksite.

- C. If an employee is unable to resume duties at the end of a fifteen (15) day (or ninety (90) day) period of injury-in-line-of-duty leave, such leave shall also be used for that portion of the employee's contracted employment period compensated from Workers' Compensation indemnity benefits. The employee may also, while in this status, use any accrued leave to supplement Workers' Compensation indemnity benefits to remain in pay status as it existed prior to the injury. Under no circumstances shall an employee be entitled to receive combined benefits from the District and Workers' Compensation exceeding one hundred (100) percent of the employee's average weekly salary. The employee also shall not accumulate leave on that portion of salary received through the provisions of Workers' Compensation.
- D. The Board may grant, at its sole discretion, additional injury-in-line-of-duty leave to an employee who is unable to resume duties and who has no accrued leave with which to supplement Workers' Compensation indemnity benefits as described in paragraph C above. Written application for such additional leave shall be made through the Superintendent.
- E. An employee (or representative) claiming an injury in the course and scope of employment shall follow to the best of his/her ability the treating physician's instructions and provide timely copies of treatment records and correspondence provided by the physician, cooperate with any assigned rehabilitation or vocational personnel, and cooperate with Board staff in regard to employment placement. Employment placement shall include light-duty assignments and any other appropriate efforts to return the employee to active duty within physical restrictions assigned by the authorized physician.

16.13 Leave for Contracting Communicable Disease at the Worksite

- A. An employee who is unable to perform his/her assigned duties because s/he has contracted a communicable disease that is substantially likely to have been contracted at his/her worksite shall be authorized to receive up to three (3) days of leave per fiscal year for such illness.

 - 1. The employee has filed a claim with the site administrator on the appropriate form within three (3) days upon return to work;
 - 2. The site administrator must attach a statement to the leave form providing information in support of his/her determination that there is a substantial likelihood that the employee's disease was contracted at the worksite (the site administrator may require that the employee provide a doctor's certificate as part of such supporting information). In this regard, the disease must be one that is ordinarily transmitted in a densely populated setting such as a school (examples include pink eye, ringworm, and lice) and for which the incidence of contagion at the school is considerably higher than in the general population at the time the disease is contracted. The common cold and influenza are not included among the contagious diseases for which this leave is granted; and

Immediate family is defined as a spouse, parent, sibling, child, grandparents, great-grandparents, grandchild, or in-law or step-relative counterparts.
- B. Employees will be credited with the five (5) days paid bereavement leave on a fiscal year basis. Bereavement leave is not cumulative. An employee may use up to three (3) days of other leave they may have accrued (sick or personal) for one or more subsequent deaths in their immediate family if they have already exhausted their five (5) days bereavement leave as permitted in 16.14C during a year. Employees will not be paid bereavement leave for days not scheduled to work (i.e., sick leave, annual leave, leave without pay). Employees are required to provide a copy of the obituary or other satisfactory document to be attached to the leave request form. Employees may not engage in any political activity during work hours. An employee seeking credit for private school teaching experience under this section is responsible for providing all documentation required in order to verify that the experience meets the conditions described herein.
4. Experience credit granted under this section, and any accompanying salary increase, will be awarded effective the beginning of the contract year after which the employee satisfies all conditions in sections a. through d. but not before the beginning of the 2006-2007 school year.
- H. Beginning with the 1989-90 school year, credit shall be allowed for experience as a psychologist, social worker, counselor, and for exceptional student education personnel, in public or private state-accredited hospitals, state-certified group homes for children or adults, or public or private rehabilitation centers, mental health institutes, or other similar organizations providing Medicare or Medicaid-approved services to children or adults, as well as in the Departments of Education and Children and Family Services or equivalent state or federal agencies. Such credit shall also be allowed for experience as a speech-language pathologist in the referenced organizations, beginning with the 2004-05 school year.
- I. Beginning with the 2000-2001 school year, credit may be provided for professional experience in the field of education other than that described elsewhere in this section. Such experience gained from employment in areas such as educational materials development and education publishing, or with professional education organizations or education agencies or institutions, shall be evaluated by the District for its comparability to experience for which credit is granted under other provisions of this section.

21.07 Advanced Degrees

- A. Adjustments to higher salary levels shall be made only upon the receipt of an official transcript signifying the award of the advanced degree, for those employees on the grandfathered salary schedule, from an institution of higher education that has Southern Association of Colleges and Schools Commission on Colleges, Western Association of Schools and Colleges, Northwest Commission on Colleges and Universities, Higher Learning Commission, New England Commission on Higher Education, or Middle States Commission on Higher Education accreditation, or the verification of appropriate experience. Salary adjustments associated with the receipt of such an official transcript or written verification of appropriate experience shall be effective retroactive to the beginning date of an employee's appointment to the academic year in which the transcript or verification is received by the Human Resource Department, or to the date on which the advanced degree is awarded or the appropriate experience is completed, whichever date is later.
- B. Advanced Degree Supplement for Instructional Personnel Hired on or after July 1, 2011. As allowed by Florida Statute 1012.22 (only if degree is held in area of certification) for employees hired on or after July 1, 2011, an annual supplement for an advanced degree will be:

Only one (1) advanced degree supplement may be earned by each employee hired after June 30, 2011. If an employee becomes entitled to the advanced degree supplement mid-fiscal year, the supplement will be provided in full and divided among remaining paychecks. If an employee becomes entitled to a greater advanced degree salary supplement mid-fiscal year, the employee will be entitled to the difference between the greater supplement and advanced degree supplement already received divided and provided in full among remaining paychecks. Current employees who remain on the "grandfathered" salary schedule will continue to earn the Masters, Specialist, or Doctoral degree salary as outlined in the current Collective Bargaining Agreement. No additional supplement for "grandfathered" employees will be awarded.

- 21.08 Appeal Process. 2. Two-Employee/Family Coverage. Each employee covered under two-employee/family coverage shall pay the individual employee's cost for single coverage. When an employee covered under the Two-Employee/Family Coverage passes away, the surviving employee/spouse will be eligible to continue to pay the Two-Employee/Family premium for the remainder of the plan year plus one additional plan year as long as the plan is still considered a family plan. If the plan becomes a Two-Person plan, the premium will change to Two-Person.

The District will provide for the payment of premiums by payroll deduction for employees for such plan. The Board health insurance contribution shall be made in ten (10) installments.

21.11 The District shall make tax-deferred annuity programs through payroll deduction available to all employees other than those paid in an hourly-as-needed status who work less than 18.75 hours per week or whose employment is not expected to continue beyond one (1) semester. Other payroll deduction options, including any Internal Revenue Service approved tax-sheltered "cafeteria plan," may be offered by the Board when available.

The District will be responsible for providing insurance information in the form of applications and/or enrollment meetings.

21.13 Benefits Committee. A committee shall be established to evaluate the current benefits program and review proposed changes to such program. This committee shall monitor the current plan and recommend to the Superintendent and Association any changes it determines are necessary. The Benefits Committee shall consist of at least five (5) members, two (2) of whom shall be LCTA appointees and one (1) of whom shall be the Director of Labor and Employee Relations.

21.14 An employee who must use his/her personal automobile on District business shall be reimbursed at the current rate established by the Board for such travel. Such repayment plan shall ordinarily not extend beyond the end of the fiscal year in which the overpayment is identified.

21.17 Method of Salary Payment

- A. The District will provide pay to employees exclusively through direct deposit of the amounts owing to the employees each payday into an account at a financial institution as designated by the employee.
- B. Ten-month and Twelve-month employees will be paid their annual salary in either ten (10) or twelve (12) equal monthly payments. - C. 10-month employees who are paid on a 12-payment basis will have their annual pay divided into twelve (12) equal monthly payments to be made on the last workday of the month beginning in August through July of the following year. The first pay period will be set by the Board.
 - D. Benefits will be deducted based upon the payment basis of the employee, i.e. those paid on a 12-month basis will have 12 deductions taken for benefits and those on a grandfathered 10-month basis will have 10 deductions.
 - E. Paychecks being delivered to employees not actively working, such as may occur when the final pay date is subsequent to the last day the employee works, will be mailed to the address designated by the employee or, if requested in writing, released to a designated individual.

This retirement incentive is not available to employees who choose to participate in the Deferred Retirement Option Program (DROP).
 - B. For the purpose of this section, the phrase "normal retirement date" shall mean retirement as defined in Sections 121.021(29) or 238.07(2)(e)1 and (f), F.S. (2008).

Article XXII PAYROLL DEDUCTIONS

- 22.01 The parties agree that under current Florida law, the language in Article 22.02 below is null and void, with the exception of 22.08. Should the law change and permit the School Board to allow union dues payroll deduction, the parties will meet to reinstate the same language within thirty (30) days, or modify as the law requires.
- ~~22.02 The District shall deduct from the pay of each employee all current membership dues of the LCTA, provided that at the time of such deduction there is in the possession of the employer a written authorization for dues deduction executed by the employee in the form and according to the terms of the dues deduction authorization form furnished by the LCTA.~~

- ~~22.04 The Board agrees to deduct the annual dues of the LCTA from the monthly salary payments to employees who have on file a payroll deduction authorization card based upon the payment basis of the employees, i.e. those paid on a 12-month basis will have 12 deductions taken for dues and those on a grandfathered 10-month basis will have 10 deductions.~~
- ~~22.05 Authorization for dues deduction is revocable upon written request by the employee on the Employee Association Dues Revocation Form. The employee must first secure the written acknowledgment of LCTA on the Form, signed and dated, and then submit the Form to the District Payroll Office. The revocation of the authorization for dues deduction will be effective at the beginning of the pay period no fewer than thirty (30) calendar days from the date of the employee's submission of the completed Dues Revocation Form to the Payroll Office.~~
- ~~22.06 All dues deducted by the District shall be remitted to the treasurer of the LCTA in monthly installments as soon as it is practical after the close of the payroll period.~~
- ~~22.07 The LCTA will not be assessed the costs incurred by the District in order to provide authorized dues deductions. Such payroll deductions authorization shall continue in effect from year to year thereafter unless revoked in writing by the member. In this regard, the District shall reinstate dues deductions for employees who return to active employment status after having been placed in long term leave without pay status.~~
- 22.08 The District will provide LCTA with up to two (2) payroll deduction slots for the purpose of deducting premiums (after tax) for companies participating in the benefits programs sponsored by LCTA and its State and national affiliates (FEA, NEA, AFT.) All deductions shall be made on a ten-payroll basis using a mutually agreeable deduction form to be provided

The School Board may adopt a written plan for an extended work year consisting of no more than 211 days at one or more instructional sites. This plan shall include the educational purpose to be achieved by the extension of the work year. Employees' pay shall be increased proportionally consistent with the extended work year (see Section 21.03). A permanent employee assigned to a school that is to have an extended work year who desires to transfer to a school on a standard work year shall be provided with such an opportunity. Article XXV

SCHOOL IMPROVEMENT AND ACCOUNTABILITY AND SHARED DECISION-MAKING

25.01 School Improvement

- A. The LCTA and the School Board support a comprehensive system of school improvement and educational accountability to ensure continued student success in school and life-long learning. School improvement is most successful when the responsibility for planning, implementing, and evaluating improvement efforts are returned to those closest to the learner.
- B. School Advisory Councils (SAC), with teacher representatives elected by teachers, parents elected by parents, school support personnel elected by support personnel, and students elected by students, are recognized under state law as the primary vehicle, along with the principal, for school improvement planning and accountability. Additionally, business and community representatives are to be selected by the Council. Each SAC shall have bylaws that provide for those affected by school-level decisions to have a significant opportunity to influence those decisions.

25.02 The LCTA and the School Board recognize that it is of benefit for teachers and other staff to have input into decisions not essential to or directly related to the school improvement planning responsibility of the SAC. To this end, each school shall adopt a process to facilitate involvement, communication, and support for such school-level decisions. This process shall be communicated to all employees at the site at the beginning of each school year. Such a process may include a Shared Decision-Making Council as described in Section 25.04 below.

25.03 Shared Decision-Making Election Procedures. While the establishment of School Advisory Councils and the development of a school improvement planning implementation process is required by state statute, a site's participation in the Shared Decision-Making system established in this article shall be voluntary. Each site will have the opportunity to conduct an election to determine participation. An election may be held at the beginning of either semester of a school year or at the end of the school year during post planning period. This election (by secret ballot) shall be jointly supervised by the site administrator and the Lead LCTA Faculty Representative. A fifty-one (51) percent approval vote by the faculty, building administrators, and support staff, as well as approval by the site administrator and an indication of support from the parent organization, shall be necessary for participation. The results of elections for individual schools shall be reported to the Superintendent and the President of the LCTA.

25.04 Shared Decision-Making Model

- A. Each school participating in Shared Decision Making will be required to establish a clear decision-making structure (SDM Council) that will systematically involve all segments of the school community. It is at the discretion of each participating site to determine the relationship of this shared decision-making structure to the School Advisory Council required by Florida Statutes.
- B. A site may choose to involve the SDM Council in the school improvement planning, monitoring, and evaluation functions of the School Advisory Council as well as to serve as the day-to-day decision-making structure for the site, or it may choose to have the SAC exclusively involved with the school improvement planning, monitoring, and evaluation process.
- C. It is suggested that the composition of the SDM Council be no fewer than seven (7) and no more than eleven (11) members. At sites with fewer than twenty-five (25) employees, the composition of the Council may be fewer than seven (7) members. The composition of the Council shall reflect the racial/ethnic makeup of the school community. Members shall be elected to the Council by secret ballot after the site determines the makeup of the Council. After the Council is formed, it should elect a chairperson and recorder from its members.
- D. All SDM Councils shall:
 - 1. Include the Lead LCTA Faculty Representative or his/her designee.
 - 2. Participate in training prior to implementation and on an on-going basis.
 - 3. Include support staff.
 - 4. Provide a fair process for resolving conflicts with consensus decision-making recommended. In the absence of a "sufficient consensus" among SDM Council members, the site administrator is empowered to make an "interim decision" while the Council works to resolve its impasse. The site administrator will continue to be responsible for carrying out the duties entrusted to him/her under state statute and School Board policy, implementing decisions, coordinating day-to-day operations, and responding to emergencies.
 - 5. Prepare an initial brief plan (reviewed and revised annually) which includes:

 - B. Available Supplements and Vacancies.
 - 1. Site administrators shall provide all instructional employees at their site, an opportunity to assume supplemental responsibilities as described in this Appendix and accompanying chart at the beginning of the school year. To this end, the site administrator shall provide a list of all site supplements to employees on the first day of preplanning at the beginning of the year. Documentation pertaining to the evaluation and selection of applicant, shall be retained for three years and available upon request.
 - 2. As vacancies or new supplements occur, employees will be informed via email and by posting on the LCTA bulletin board at least five (5) work days prior to filling such vacancy. A list of all supplements, the supplement amounts, and persons receiving supplements shall be provided to employees via and by posting on the LCTA bulletin board by October 15 by the site administrator.
 - 3. Site administrators are discouraged from assigning supplemental responsibilities to non-instructional District employees who work at an hourly rate and are eligible for overtime (nonexempt employees) as well as persons who are not otherwise employed by the District since these persons must be paid at an hourly rate for such assignments and are also normally eligible for overtime to the extent that their total hours worked for the District exceeds forty (40) hours in a workweek.
 - 4. When there is a vacancy in a supplemented position, the following procedure will be implemented:
 - a. Qualified instructional staff applicants will be sought from within the school.
 - b. Qualified instructional staff applicants will be sought from other schools within the district, except that a high school is not required to seek applicants from other district high schools to fill a coaching vacancy.
 - c. Qualified applicants will be sought from within the school.If the position remains vacant after such action, the site administrator may assign one supplemented coaching activity each year to a teacher from within the school where the vacancy exists.
 - C. The Student Activities Handbook contains an outline of the duties to be performed in the major categories of supplements listed in the chart below. A copy of this handbook shall be provided to each site administrator, athletic director, and the Leon Classroom Teachers Association (LCTA) President.
 - D. As supplemental pay assignments are made, the site administrator will provide the employee with the District's list of duties/expectancies that the employee is to perform in that assignment. Supplemental salaries will be paid only if these duties/expectancies are performed.
 - E. Supplements are to be paid for assignments performed in addition to regular instructional duties. All employees receiving supplements shall carry a full instructional or instructional-related load.
 - F. An employee who is to perform supplemental activities at a worksite that is not his/her primary worksite (i.e., at a secondary worksite) shall complete a "Supplemented Activities - Secondary Site Approval Form." The approval form is to be signed by the employee and site administrators at both the primary and secondary worksite prior to the employee engaging in such supplemented activity. The employee is to provide a copy of the completed approval form to both site administrators.
- II. Supplement Amounts
- A. Supplement percentages will be calculated on a Supplement Base of \$33,550. It is the intent of the parties that the Supplement Base will be increased incrementally, subject to the availability of funding, in succeeding years to align with the District's minimum teacher salary.
 - B. A Department Chair or Team Leader in an area at any school site with a minimum of three employees, including the Chairperson or Team Leader, shall be supplemented at the rate of four (4) percent, plus one-half percent per person over the minimum of three (3), to a maximum of ten (10) percent.
 - C. In elementary and middle schools, the amounts provided for assigned supplements as listed in the supplement schedule may be changed upon recommendation by the site administrator and approval by either the School Advisory Council (SAC) or the Shared Decision-Making Council (SDMC). Increases/decreases in the individual supplements may not exceed two (2) percent
 - D. The minimum amount of a supplement shall be one percent of the base salary upon which supplements are calculated, notwithstanding any other provisions of Appendix B.

- E. All high school supplements shall be divided into the following six (6) categories:

Major Activity Coach	12 percent
Minor Activity Coach	8 percent
Major Activity Assistant	6 percent
Minor Activity Assistant	4 percent
Sponsor	1-4 percent

III. Number of Supplements

- A. Any employee, other than high school athletic directors (see paragraph IV D), may receive more than one supplement, but not more than three (3) supplements, for duties performed in any one school year. For purposes of applying this limitation, each supplement shall be counted against the maximum of three (3), notwithstanding that two or more of such supplements may be provided through the same supplement code as contained in the teacher supplement chart. Exceptions to this policy may be made upon recommendation by the site administrator and approval by either the School Advisory Council or the Shared Decision-Making Council.
- B. The number of high school supplements assigned in each activity area listed on the supplement chart shall not exceed the number authorized in the Student Activities Handbook—High School, regardless of fund source. Exceptions may be made only upon prior written approval of the Executive Director for Secondary Schools and the Director of Interdivisional Support Services.

IV. Special Provisions for Athletic Supplements

- A. Athletic supplements shall be classified as major or minor in accordance with Section IIE of this appendix.
- B. Prorated increases will be provided to employees receiving supplements for FHSAA sponsored activities where the season is extended because of participation in the postseason state series. The remaining 1/4 of the total supplement amounts may be assigned to an assistant coach who must also coach both teams. In such instance, the head coach and assistant coach must attend both boys and girls meets/matches.
 2. A high school employee may not coach the boys and girls teams of the same major sport.
 3. Middle school employees may receive the full supplements for coaching both the boys and girls team in the same sport as long as the sports seasons do not run concurrently and neither sport is classified as a coed sport.
- D. High School Athletic Directors will be employed twelve (12) months and will be paid 12/10 of their annual salary during the summer. Directors shall be appointed eight (8) hours per day during the school year and during the summer. Directors shall not be provided additional compensated supplemental assignments. The eight (8) hours per day and “no additional supplements” provisions shall be effective at the beginning of the 2009 summer.
- E. High school head football coaches not employed 12 months will be provided three weeks additional employment on an annual basis.

- I. The site administrator shall ensure that a person with appropriate administrative authority is present at scheduled home athletic events.

V. Other Conditions and Special Provisions

- A. Teachers working in full-time 12-month administrative roles do not fall under the LCTA salary schedule, but instead are subject to salary placement and increases deemed appropriate by the Superintendent. All other provisions of the contract apply.
- B. Supplemental pay assignments are official school-sponsored activities. While in the performance of these assignments, employees shall be covered by the benefits of employment normally received during the regular course of their work.
- C. Industrial Arts teachers will be assigned to supplemental duties by the building administrator. High schools may increase/decrease this amount by two (2) percent.
- D. Supplements provided to individuals otherwise employed by the District shall be paid on the individual's regular payroll cycle. In the instance where an individual has been paid for all or a portion of a supplemental assignment that is subsequently not performed, the District is authorized to deduct the applicable amount from the individual's regular District pay pursuant to Section 21.18. PERFORMANCE PAY SALARY SCHEDULE ADJUSTMENTS
DIFFERENTIATED PAY and CRITICAL SHORTAGE PAY SUPPLEMENTS

VI. PERFORMANCE PAY

Performance Pay salary schedule adjustments for "Effective" and "Highly Effective" instructional staff hired on or after July 1, 2014 will be determined through negotiations with the Leon Classroom Teachers Association after the number of effective and highly effective instructional staff is determined, and with the intent to comply with Florida Statute 1012.22.

All Highly Effective Instructional Staff and Effective Instructional Staff hired on or after July 1, 2014 shall be paid on the Performance Pay Schedule adopted herein as required by Florida Statute 1012.22 (1)(c)(4).(a.). All instructional staff hired prior to July 1, 2014 shall be paid on the "Grandfathered Schedule," as adopted herein, as required by Florida Statute 1012.22 (1) (c) (4).(a.). Instructional staff on the Grandfathered Schedule may opt to participate in the Performance Pay Schedule, but with the consequence of losing Continuing Contract status or Professional Service Contract status for the duration of their employment with Leon County Schools, and upon such election be employed on an annual contract basis, with no possibility for the remaining years of employment with Leon County Schools to return to the Grandfathered Schedule, in accordance with Florida Statute 1012.22 (1)(c)(4).(a.).

The Board herein enacts a Performance Pay option for instructional staff on the Grandfathered Schedule who earn Highly Effective and Effective ratings, but at performance pay amounts not to exceed the Effective performance amount paid to instructional staff participating on the Performance Pay Salary Schedule.

All performance pay compensation shall be paid as an adjustment to the employee salary base, meaning it will become a permanent part of the employee base salary. Performance Pay for FY 2016 shall be paid according to the following formula and defined parameters. The formula will be determined based on:

- 1. the amount of funds available within the District budget for Performance Pay salary and
- 2. the number of Highly Effective and Effective instructional personnel on the Performance Schedule and Grandfathered Schedule.

Highly Effective instructional personnel on the Performance Pay schedule shall be paid the highest amount. Effective instructional personnel on the Performance Pay schedule shall earn 75% of the amount calculated for Highly Effective Performance Pay Schedule salary payments. Highly Effective instructional personnel on the Grandfathered Schedule shall earn performance pay at a rate of eighty percent (80%) of the Highly Effective amount paid to employees on the Performance Pay Schedule. Effective instructional personnel on the Grandfathered Schedule shall earn performance pay at a rate equal to eighty percent (80%) of the amount paid to Effective instructional personnel participating on the Performance Pay Schedule.

The formula for FY 2016 Performance Pay is as follows:

X = Amount for Performance Pay Salary Schedule participants rated "Highly Effective"

75% X = Amount for Performance Pay Salary Schedule participants rated "Effective"
80% X = Amount for Grandfathered Salary Schedule participants rated "Highly Effective"
80% * 75% X = Amount for Grandfathered Salary Schedule participants rated "Effective"
COLA = 50% * 75% X
Y = Amount of budget available for Performance Pay
Formula: $x + 75\%X + 80\%X + (80\% * 75\%X) = Y$

The Board desires to attract and retain the highest quality instructional professionals to serve the students in Leon County. In support of the LEADS Performance Pay plan the Board agrees to commit two million dollars in 2016-2017 for the purpose of adjusting teacher's salaries based on their evaluation performance rating.

Salary Adjustments: All instructional staff shall be issued a Notice of Employment commitment within sixty (60) days upon receipt of verified creditable years of service. The notice will provide the new adjusted base salary and a statement that the employee's salary shall be consistent with the total number of verified creditable years of service and any adjustments.

VII. DIFFERENTIATED PAY AT TITLE I and LOW PERFORMING SCHOOLS

Instructional Staff at Title I schools and schools earning a "D" or lower will receive a \$100 supplement per semester. This supplement is valid for fulltime instructional staff. The \$100 supplement will be paid at the conclusion of each semester. Instructional staff must be employed the entire semester to be eligible for this pay. For the 2014-2015 school year, only a second semester supplement of \$100 will be paid. It is possible for instructional staff to qualify and be compensated for both supplements outlined above.

VIII. CRITICAL SHORTAGE SUPPLEMENTS

Certification and teaching in critical teacher shortage areas shall be identified by the State Board of Education under s. 1012.07. However, the district school board may identify other areas of critical shortage within the school district for purposes of this sub-sub-subparagraph and may remove areas identified by the state which do not apply within the school district. The funding for this supplement is contingent upon sufficient funding from the Florida Legislature. Specific compensation amounts and eligible teaching assignments will be determined annually in cooperation with the Leon Classroom Teachers Association.

MEMORANDUM OF UNDERSTANDING

Employee Childcare Assistance

The Leon County School District and the Leon Classroom Teachers Association (LCTA) hereby tentatively agree to the provisions set out below and will support the ratification of such provisions by the members of the LCTA bargaining unit and the Leon County School Board. Both parties agree this memorandum of understanding will sunset June 30, 2026.

The Leon County School District and the Leon Classroom Teachers Association believe that employee childcare assistance provides a positive benefit to employees, which affects employee morale and retention.

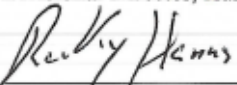

Therefore, both parties agree to the following terms and conditions to establish a trial program for an Employee Childcare Discount program that is applicable to before and after school enrichment programs. The implementation shall be conducted as a trial period for the 2025/2026 contract year. Provided that the program outcomes have a favorable impact on employee morale and retention of teachers, and are fiscally sustainable, the program may be extended through a Memorandum of Understanding in future years. The School Board may consider annually, upon recommendation of the Superintendent, an appropriation to fund the Employee Childcare Discount program.

The Leon County School Board agrees to offer all active teachers that are currently employed, before and after school extended day enrichment programs administered on-site by Leon County Schools free of charge. Eligible participants include the child (biological or adopted), step-child, foster child, or a child for whom the teacher has legal guardianship. Participation is subject to compliance with established policy and may be capped by location based on availability.

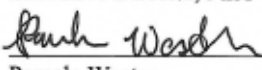

A centralized district-wide enrollment window will open July 1, 2025 and shall remain open as long as the program has not reached capacity. Acceptance shall be issued in the order of application received.

MEMORANDUM OF UNDERSTANDING

Paid Parental Leave

The Leon County School District and the Leon Classroom Teachers Association (LCTA) hereby tentatively agree to the provisions set out below and will support the ratification of such provisions by the members of the LCTA bargaining unit and the Leon County School Board. Both parties agree this memorandum of understanding will sunset June 30, 2026.

The Leon County School District and the Leon Classroom Teachers Association believe that Paid Parental Leave provides a positive benefit to employees, which affects employee well-being, morale and retention. Therefore, both parties agree to the following terms and conditions to establish a trial period for Paid Parental Leave. This trial is intended to assist the parties in determining effective program parameters, scope, and the fiscal impact associated with Paid Parental Leave. The trial period shall encompass the 2025/2026 contract year. Provided that the program is fiscally sustainable, the program may be adjusted, as deemed appropriate and extended through a Memorandum of Understanding in future years. In such case, the School Board may consider annually, upon recommendation of the Superintendent, an appropriation to fund the Paid Parental Leave program.

The Paid Parental Leave program will provide up to five (5) days of paid leave to active Teachers due to the birth of a child, or placement of a child for adoption. Employee may combine Paid Parental Leave with accrued Sick Leave and other approved leave types during their Leave of Absence.

In order to be eligible for Paid Parental Leave, a teacher must formally apply for, meet eligibility requirements, and submit appropriate medical certification for Family Medical Leave in accordance with Article 15.05, which stipulates that the employee must have been employed by the District for a minimum of twelve (12) months and worked at least 675 hours or 60% of the hours in the employee's annual appointment, whichever is greater, during the preceding twelve (12) months of employment. Teachers who fail to meet the requirements shall be deemed ineligible for Paid Parental Leave. Any leave granted pursuant to this section will count toward the teachers' Family and Medical Leave Act (FMLA) entitlement.

Paid Parental Leave may be used on any regularly scheduled work day falling within the contracted school year, for a period of six (6) weeks following the birth of the child or placement for adoption. The time period for utilization of the paid parental leave may be extended based on medical necessity, as indicated by the employee's physician.

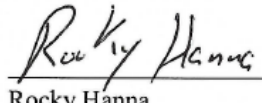

Notice of an anticipated leave should be given at least 30 days in advance. If the employee learns of the birth or adoption less than thirty (30) days in advance, the employee shall give the notice as soon as reasonably possible. For the purpose of calculating service anniversary dates, years of experience, and eligibility criteria for Paid Parental Leave the employees absence from work is considered a leave of absence and shall not count as time worked.

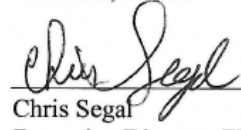

Employees meeting the established criteria, are eligible to receive the Paid Parental Leave on no more than two (2) separate occasions throughout their cumulative employment with Leon County Schools. This provision has no impact on the number of times and individual may receive Unpaid Parental Leave in accordance with the Family and Medical Leave Act (FMLA).

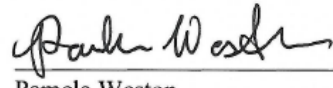

Paid Parental Leave granted pursuant to this article shall only be applicable to contracted work days and shall in no event extend beyond the end of the 196-day contracted work year or cause the employee to be paid in excess of the total salary allocated to be paid in the contract year. Paid leave under this agreement shall be paid at one hundred percent (100%) of the employee's hourly rate of pay for the standard workday as established in 7.01(A)(1).

MEMORANDUM OF UNDERSTANDING

Sick Leave Buy-Back

The Leon County School District and the Leon Classroom Teachers Association (LCTA) hereby tentatively agree to the provisions set out below and will support the ratification of such provisions by the members of the LCTA bargaining unit and the Leon County School Board. Both parties agree this memorandum of understanding will sunset June 30, 2026.

Continuity of Classroom Instruction: To encourage and reward employees who assist in maintaining continuity of classroom instruction, by displaying exemplary attendance, as demonstrated by missing four (4) days or less during the designated school year. The parties agree to the following Sick Leave Buy-Back incentive award.

The implementation shall be conducted as a trial period spanning the 2024/25, and 2025/26 contract years. Provided that the program outcomes have a favorable impact on continuity of instruction and are fiscally sustainable, the program may be extended through a Memorandum of Understanding in future years. The School Board may consider annually, upon recommendation from the Superintendent, an appropriation to fund the sick leave buyback program.

Employees of the Instructional bargaining unit who utilize four (4) sick leave days or less for the respective school year, shall upon request, receive payment for a designated number of sick leave days up to the maximum accrued for the respective school year. The number of days to be designated shall be determined based upon the number of eligible participants seeking payment, the number of days being requested, and the total budgetary appropriation for the fiscal year. If a reduction in the number of days paid is necessary, due to fiscal limitations, individual requests will be reduced to the highest number of whole days that may be accommodated across the entire group requesting payment, not to exceed the amount requested by the individual employee. In the 2024-2025 and 2025-2026 school year, the allocation for the instructional bargaining unit shall be \$500,000.

Eligibility criteria for participation are as follows:

1. Teacher must have been employed for the full 196 days of the contract year and be absent four (4) or fewer days for the respective school year.
2. In order to receive payment for requested sick leave the Teacher must be actively employed at the time of the leave payment.
3. An employee must have a minimum of twenty (20) days of accumulated sick leave remaining after the payment for unused sick leave under this section.
4. An employee participating in the Sick Leave Buy-Back program may be eligible for continued participation in the District Sick Leave Bank, provided all other requirements are met. Sick days that have been liquidated, as a result of buy-back, will be deducted from the maximum number of days that an employee may claim as part of the Sick Leave Bank, in accordance with applicable procedure.

Parameters for Payment are as follows:

1. Employee's meeting the eligibility requirements who wish to apply for sick leave buy-back, will complete the Application for Sick Leave Buy-Back, indicating the number of days that they would like to liquidate, by June 1st.
2. The payment of this incentive shall be paid to eligible employees no later than November 1st of the following school year.
3. Payment will be distributed at a rate of eighty (80) percent of the employee's base rate of pay for 7.5 hours for each respective day requested.
4. Exempt absences that do not affect incentive eligibility:
 - Temporary Duty
 - Jury Duty
 - Bereavement Leave
 - Worker's Compensation Leave
 - Administrative Leave, not accompanied by disciplinary action.

Disqualifying events:

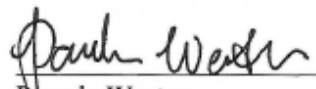

- Suspensions either paid or unpaid, would disqualify the employee from the buy- back option for the respective school year. Employees for which there are no findings would maintain eligibility.
- Employees that separate service, either voluntary or involuntary, during the calculation periods are not eligible.
